Impact on score ●●●●

↘ 68/100

Environment | Policies

Impact on score ●●●●

→ 50/100

A policy is a set of objectives that addresses specific sustainability issues. It shows a company's intention to reduce impact, mitigate risk or improve performance.

Strengths

Environmental policy on materials, chemicals & waste
Standard policy on a majority of environmental issues
Environmental policy on energy consumption & GHGs
Environmental policy on water
Environmental policy on customer health & safety

Improvement areas

Medium priority	Inconclusive documentation for policies on product use
Medium priority	Inconclusive documentation for policies on product end-of-life
Low priority	Inconclusive documentation for policies on air pollution
Low priority	No quantitative target on environmental issues

Environment | Endorsements

Impact on score ●○○○

→ 100/100

Endorsements are your company's public adherence or commitment to meeting objectives and principles defined by a recognized third-party organization.
